

The Coronation of Michael and Seonaid

His mighty arm the field did win
Her beauty and deeds brought her fame
When crowned They were over all the land
There arose a glad acclaim-

All hail to _____Michael King!
All hail _____to Seonaid Queen!
All hail to the monarchs of Atlantia fair
All honor to the King and Queen!

With firm resolve the oaths They took
And the scepter held on high
And when They made us a reverent bow
From the halls there came a cry:

All praise to _____Michael King!
All praise _____to Seonaid Queen!
All praise to the monarchs of Atlantia fair
All honor to the King and Queen!

Count Anton bold threw his gauntlet down *or* He took the Crown & fulfilled his oath
And hurled his challenge loud And brought joy to His lady
Let any who would defy the throne She swore to him her heart & life
Meet with him in battle proud And her steadfast loyalty

All kneel to _____Michael King!
All kneel to _____Seonaid Queen!
All kneel to the monarchs of Atlantia Fair
All honor to the King and Queen!

Long may They reign with justice and peace
All the baronies and shires in the land
But if ever our borders threatened be
We will fight by Their command:

All hail to _____Michael King!
All hail _____to Seonaid Queen!
All hail to the monarchs of Atlantia fair
All honor to the King and Queen,

All hail to the monarchs of Atlantia Fair
All honor to the King and Queen!
