

The Royal Baby's Round

Lads and lasses merrie merrie be Merrie merrie be this morn
For unto fair Atlantia Is a royal princess born

Lads and lasses merrie merrie be Merrie merrie be today
So drink a toast to our King and Queen All on this summer day

*written in the reign of King Anton and Queen Luned, at Pennsic
this is to be sung as a round for three or four voices in a lively manner*
